GOVERNOR WILLSON APPOINTS COMMITTEE

To Represent the State at Atlanta
Meeting on March, 8-

G. C. ATKINSON OF
THIS CITY APPOINTED.

Frankfort, Jan. 26.—Realizing that the eyes of the business world will be focused on the meeting of the Southern Commercial Congress at Atlanta, March 8, 9, and 10, Governor Willson has placed Kentucky in the front rank with Virginia and West Virginia, by appointing a Committee of Influential business men to see that the Blue Grass State is properly represented at this great gathering of the most potent forces in the commercial world.

Gov. Willson is chairman of the committee and A. Y. Ford, Vice President of the Columbia Trust Company, of Louisville, is Secretary. Other members of the Committee are:

Capt. Geo. C. Norton, Mr. Logan C. Murrey, Col. A. H. Ezau, Judge Alex P. Humphrey, Judge Wm. G. Dearling, Mr. Gilbert S. Cowan, Mr. Wm. A. Robinson and Col. Harry Weissinger, of Louisville; Hon. Henry L. Martin, Midway; Mr. Johnson M. Camden, Versailles; Hon. John F. Hager, Ashland; Mr. Geo. C. Atkinson, Earlinton; Hon. C. U. McElroy, Bowling Green; Hon. L. J. Crawford, Newport; Hon. W. H. Mackoy, Covington; Mr. D. Gray Falconer, Lexington.

The Southern Commercial Congress promises to be the biggest event in the commercial history of the South, and will place this section in her right light in the commercial and industrial world.

It comes just fifty years after the states of the south were uniting for a struggle of arms. It typifies a new union of the south, along constructive lines of commerce and business endeavor so that the States of the South, vying with each other in wise use of their great natural heritage of resources may, through their prosperity and growth, give added strength to the nation of which they are an integral part.

Not only will thousands of public spirited business men interested in the development of the south as a whole attend, but the President of the United States will be there, bringing with him two of his Cabinet, Secretaries Dickinson and Willson; Ex President Roosevelt; the majority of the Southern Governors, Gov. Woodrow Willson, the French Ambassador, and scores of other notables. Gov. Willson's example has been followed by the Governors of Tennessee, Mississippi and Arkansas, South and North Carolina. The entire programme will be mailed upon application to the Southern Commercial Congress, Washington, D. C.

Accused of Stealing.

E. E. Chamberlain, of Clinton, Mo., boldly accuses Bucklen's Arnica Salve of stealing—the sting from burns or scalds—the pain from sores of all kinds—the distress from boils or piles. "It robs cuts, corns, bruises, sprains and injuries of their terror," he says, "as a healing remedy its equal don't exist." Only 25c at all druggists.

"FREE" EDUCATION: A scholarship will be available for a man between the ages of twenty-three and thirty-five, desirous of acquiring an education that will double his earning capacity in two years; if the same is less than \$2,000 at the present time. For particulars, address Secretary, Hamilton College of Law, Ellsworth Building, Chicago.

BRINTON B. DAVIS ELECTED COLONEL OF FIRST REGIMENT

Movement for General Improvement of
Kentucky National Guard.

Louisville, Ky., Feb. 2.—Capt. Brinton B. Davis, Spanish American War Veteran, architect, President of the Louisville Commercial Club and leader in numerous other local enterprises, was last night elected Colonel of the First Kentucky Infantry at the Armory, by unanimous vote of all enlisted men and officers present. The election was held by Capt. Paul B. Malone, 27th infantry, U. S. A., who came down to Louisville from Frankfort yesterday for the purpose of holding the election.

Capt. Malone, after extended conferences with Gov. Willson and Adj. Gen. Bassett, stated last night that a movement for the general improvement for the Kentucky National Guard, had been decided upon by the State authorities in the expenditure of the money allowed for the purpose and that the outlook for the militia in the state would be exceedingly bright from this time.

Capt. Malone has just been appointed a Colonel on the Governors Staff, by Gov. Willson.

A scald, burn, or a severe cut heals slowly if neglected. The family that keeps a bottle of BALLARD'S SNOW LINIMENT on hand is always prepared for such accidents. Price 25c, 50c and \$1.00 per bottle. Sold by St. Bernard Mining Co., Incorporated, drug department.

Col. Bassett Elected Head of Kentucky Rifle Association.

Frankfort, Ky., Jan. 31.—Officers of the Kentucky State Rifle Association were elected to-day by the incorporators of the association to serve until August, 1, 1911. Lieutenant Colonel E. B. Bassett was chosen as president, and Brigadier General Roger D. Williams was elected vice president.

The other officers follows: Captain Jack Morris, secretary; Col. R. N. Krieger, treasurer. The association will hold an annual tournament at one of the rifle ranges in this State.

SAVED FROM AN OPERATION

By Lydia E. Pinkham's
Vegetable Compound

Peoria, Ill.—"I wish to let every one know what Lydia E. Pinkham's remedies have done for me. For two years I suffered. The doctors said I had tumors, and the only remedy was the surgeon's knife. My mother bought me Lydia E. Pinkham's Vegetable Compound, and today I am a healthy woman. For months I suffered from inflammation, and your Sanative Wash relieved me. Your Liver Pills have equalled as a cathartic. Any one wishing proof of what your medicines have done for me can get it from any druggist or by writing to me. You can use my testimonial in any way you wish, and I will be glad to answer letters."—Mrs. CHRISTINA REED, 106 Mound St., Peoria, Ill.

Another Operation Avoided.
New Orleans, La.—"For years I suffered from severe female troubles. Finally I was confined to my bed and the doctor said an operation was necessary. I gave Lydia E. Pinkham's Vegetable Compound a trial first, and was saved from an operation."—Mrs. LILY PEYROUX, 1111 Kerlerec St., New Orleans, La.

The great volume of unsolicited testimony constantly pouring in proves conclusively that Lydia E. Pinkham's Vegetable Compound is a remarkable remedy for those distressing feminine ills from which so many women suffer.

BISHOP'S GREAT BARGAIN OFFER

The Reliable House Never Advertises
Fake Sales But When Bargains Are
Advertised The Public Can
Count on Getting Real
Bargains.

Elsewhere in this issue will be seen the largest display advertisement of Bishop & Company, that old reliable firm, in which some rare values in low prices on high grade merchandise are offered the public.

Bishop & Company always can be depended upon to live strictly up to representations and when they say bargains they mean real bargains.

It is frequently the case that merchants have the best of reasons for wanting to dispose of surplus stock at bargain prices rather than have their money tied up in it and carry it over. This is the case with Bishop & Company. They want to close out the articles advertised and convert them into cash and they realize that the one way to do it is to make the price so low that people will take quick advantage of the opportunity to secure good merchandise at far below the regular sale price.

This opportunity Bishop & Company certainly offer now.

Do you know that group can be prevented? Give Chamberlain's Cough Remedy as soon as the child becomes hoarse or even after the croupy cough appears and it will prevent the attack. It is also a certain cure for croup and has never been known to fail. Sold by Geo. King & Sons.

DU RELLE TO BE GIVEN OLD POST

Reported That Taft Will Re-appoint Him
United States Attorney.

Washington, Jan. 31.—It is understood here that President Taft has definitely determined to appoint George Du Relle as United States Attorney at Louisville when his term expires on February, 15. J. C. Speight, of Mayfield, who has been mentioned in connection with that position, is now being touted for Republican nominee for Governor, or the postmastership of Mayfield, by Frank Fisher, his warm friend. The latter position could probably be had by Mr. Speight for the asking.

A heavy cold in the lungs that was expected to cure itself has been the starting point in many cases of disease that ended fatally. The sensible course is to take frequent doses of BALLARD'S HORE-HOUND SYRUP. It checks the progress the disorder and assists nature to restore normal conditions. Price 25c, 50c and \$1.00 per bottle. Advertising is the lifeblood of business, and you can always get better results by dealing with a concern which has its veins full of the vital fluid than with one that depends upon life for the sluggish circulation given by oral advertising and other out-of-date methods.

Americans must be a sweet people, except those who through fermentation have become sour. The Government statistics show that the people of the United States consumed 81½ pounds of sugar per capita in 1910 and spent for sugar, at an average of 5 cents per pound, at total of \$366,000,000 or an average of \$1,000,000 a day.

The E. A. C.'s Meet With a Horrible Defeat.

The Earlington Athletic Club Basket Ball Team went to Greenville, Friday night, Jan. 27, played the Y. M. C. A. at that place. The game went against the E. A. C. by the score of 38 to 13. The Athletics played the Y. M. C. A. boys off their feet at all stages of the game, but were repeatedly fouled as the Y. M. C. A. played strictly by the rules of Gymnasium basketball. The Athletics have been playing the rough and tumble game, so this method sadly handicapped them. These two teams will play at the Local Auditorium rink, Friday, Feb. 10. This promises to be one of the hottest games ever witnessed in our city, as the Y. M. C. A. are anxious to repeat their experiment of scolding the locals, while the athletics are equally desirous of scalping the Y. M. C. A.

Women as Well as Men are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling all about Swamp-Root.

Including many of the thousands of testimonials received from sufferers who found Swamp-Root to be just the remedy needed. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

TWO SALES IN ONE

We intended conducting a "Cleaning Up of Winter Stuff" sale the latter part of this month and on the heels of it launching our customary "White Goods and Embroidery" sale, but obstacles we have been unable to mount have delayed us until we have decided to combine the two events. We think now we shall open this combination sale on Wednesday of this week, but can't be definite just yet.
Our purchase of White Goods and Embroideries is in the house now, but has not been examined and marked.
Keep watch on this corner of the Semi-Weekly Bee for minute details.

AD-TALK

What would you think of a salesman who reported for duty one day, lay off for two, worked a half day, went off for a week and so on without any regularity? Surely you would not expect good service from such a man. And yet some merchants hold advertising, which is simply a "salesman," up to great results when it is allowed to "work" very irregularly.

The fact that advertising costs money is proof of its value. Things without cost are usually worth only their price.

Thirty Years Together.

Thirty years of association—think of it. How the merit of a good thing stands out in that time—or the worthlessness of a bad one. So there's no guesswork in this evidence of Thos. Ariss, Concord, Mich., who writes: "I have used Dr. King's New Discovery for 30 years, and it's the best cough and cold cure I ever used." Once it finds entrance in a home you can't pry it out. Many families have used it for forty years. It's the most infallible throat and lung medicine on earth. Unequaled for lagrippe, asthma, hay-fever, croup, quinsy or sore lungs. Price 50c. \$1.00. Trial bottle free. Guaranteed by all druggists.

FLIES ON KITE FROM SHIP

Record Altitude while Cruiser is Making Twelve Knots an Hour.

Santa Barbara, Cal., Feb. 1.—Lieutenant John Rodgers was lifted 400 feet from the cruiser Pennsylvania yesterday by man-raising kites.

The warship was steaming twelve knots against an eight knot breeze at the time, and Rodgers, suspended from the kite cable 100 feet astern, made observations and camera views for fifteen minutes. He signalled the results of his observations to the officers on the ship.

The altitude attained by Rodgers is said to be a record for man lifting kites. The officer was carried up by a train of eleven kites.

A few minutes delay in treating some cases of croup, even the length of time it takes to go for a doctor often proves dangerous. Mrs. A. L. Cobb and attractive daughter, Miss Bessie, spent yesterday in Madisonville with friends.
